The Next Move by Rhellex

Donation & Tax Benefits

Quick Reference Guide | Our mission and how to use your 80G tax receipt

Our mission: a dual impact

The Next Move by Rhellex partners with KGSKF so that every mentoring donation creates a second impact. Your contribution directly funds education for children in need and vital supplies for stray dog rescue centers. When you invest in your own career, you also help those who need it most.

Where your donation goes

A portion of each donation supports schooling, learning materials and essentials for underprivileged children, and food, shelter and medical supplies for rescued stray dogs. You change two lives at once: your own, and someone who cannot ask for help.

What you receive in return

Your donation immediately unlocks full access to your selected career strategy program and mentorship session, along with the Career Discovery Assessment and your six-dimension scorecard.

Tax exemption under Section 80G

KGSKF is registered under Section 80G of the Income Tax Act, so your donation is tax-deductible. A donation receipt is emailed to you automatically after your contribution.

How to use your tax receipt

Keep the donation receipt emailed to you as proof of your contribution. To claim the deduction, you will need your official 80G certificate.

Requesting your official 80G certificate

Sign in to your student dashboard and open the 80G tax certificate section. Enter your PAN, full name and postal address, then submit the request. Rhea will email your official 80G certificate to you.
